- From 21-22 September 1946 the third session of the Central Council took place at the "Jugendhochschule am Bogensee."
- The following membership figures were given:

Land Saxony	99,900
Province Saxony	87,500
Brandenburg	50,000
Mecklenburg	50,000
Thuringia	47,000

Total 334,400

Six thousand seven hundred and seventy-three youth groups have been organized, of which 3,880 are village groups and not quite 200 are school groups. The FDJ is composed of the following categories:

- The edition of Neues Leben will be quadrupled and even the western zones will be supplied with substantial numbers of copies. Election propaganda for the Land and Kreis elections will be put out a week beforehand.
- In the discussion following, it was reported from Thuringia that, out of 12 hours in a professional school, two were at the disposal of the FDJ.
- Rudi Böhme in his report on advanced education said that their goal
